The midterm exam will be given on Friday, October 11th at the mid-point of the semester. The final is scheduled for Monday, December 9th from 3:00 to 5:00 PM in our classroom. These exams will be composed of both essay questions and short-answer identifications. There will also be seven quizzes given, on an unannounced basis in the discussion sections. They will be short in duration (5-10 minutes) and consist of multiple-choice questions dealing mainly with the issues raised in class and the text. One question on each quiz will be taken from the supplemental readings. Only six quizzes will be counted into the final grade averaging. I will drop the lowest grade. These quizzes are given to ensure that you are keeping up on the reading and have a working knowledge of the subject matter. Your paper will be a short (4-6 pages) paper on the assigned readings. It will be due Friday, November 8th at the beginning of the class period. You will receive a handout on the paper during the second or third week of classes. Each week, you will turn in on Friday a short one-page summary and analysis of the WFC readings for that week. There are 11 weeks of WFC readings, therefore you may have 1 pass where you do not have to turn in the reading assignment. You will receive either a 1 or a .5 (or a 0!) for each week’s assignment. The total points you can earn for this assignment is 10. More on this as the semester progresses.
I encourage questions and class discussion. Please do not hesitate to ask both factual and interpretative questions. If you have specific questions on the subject matter or grading, please come see me during office hours. I also encourage you to contact me by e-mail as I respond promptly to questions, concerns, or comments.

Syllabus & Course Instructions

Due to the increasingly technological nature of our society, I find it necessary to address the issues of cell phones in class. Please turn off all of these electronic devices before coming to class, as they are disruptive to the learning environment and distracting to other students. Thank You.

I also need to address tardiness to class in a more formalized manner. Lateness is also disruptive and distracting to a positive learning experience. Constant carping on this issue both demeans the class and takes away from learning time. Therefore, I urge you, as responsible adults, to arrive to class on time ready to learn. To encourage on-time behavior, one point will be deducted from each quiz that you are tardy. This policy will start with Quiz 2. Again, your cooperation is appreciated. Thank You.

Class attendance is an important component of your learning experience. Since students are adults, a mandatory attendance policy will not be in effect for this course. However, the system of unannounced quizzes is instituted to encourage student attendance. Make-ups for quizzes will not be available, except for excused medical absences (signed by authorized medical personnel) or attendance at official university functions.

Students requesting classroom accommodations for disability issues must first register with the Office of the Dean of Students. This office will provide documentation to the student who then must provide this documentation to me. I am more than willing to do whatever is necessary to ensure an optimum learning environment for all students.

Please be aware of the University’s policy on plagiarism. The Internet has made this situation more problematic but understand that plagiarists will be caught. Any questions about what constitutes plagiarism, please do not hesitate to ask. All plagiarism offenses will be reported on a Faculty Adjudication Form and forwarded to the Office of Student Judicial Affairs. You may get more information on UF’s Judicial Affairs process at https://www.dso.ufl.edu/sccr/process/
