FRENCH PLACEMENT

Students with high school study only (no AP/IB/AICE):

1. Use high school background in French for placement.

**FRE 1130:** Beginning French 1 (5 credits)
**FRE 1131:** Beginning French 2 (5 credits)
**FRE 1134:** Accelerated French Review (5 credits)

2. **UF no longer offers a placement exam for French.** Students who wish to prove proficiency by examination may register to take a French foreign language proficiency exam (FLPE) at the following website: [https://teachingcenter.ufl.edu/testing/flpe/](https://teachingcenter.ufl.edu/testing/flpe/). Otherwise, previous background is used for placement. Students with concerns may contact Dr. Theresa Antes at antes@ufl.edu

Students who have taken AP, IB, or AICE French exams

1. **If a score is pending and students are unsure of what to predict, they should register for FRE 2220.** As soon as the student receives the score, s/he should check the AP/IB/AICE chart in the Workbook or in the Undergraduate Catalog online to see if FRE 2220 is the appropriate level. If not, s/he should contact the Academic Advising Center (previewadjust@advising.ufl.edu) for help in adjusting their registration.

2. **If a score is pending and students feel confident in predicting their score, they should register for the next step in the language sequence (found in the AP/IB/AICE section of the Workbook).** As soon as the student receives his/her score the student should adjust the language course if needed.

3. **If the score has been received, select course based on AP/IB/AICE chart in the Workbook.**

** Students who speak French at home or who have significant experience living in a French-speaking country but who have not formally studied the language: take the FLPE to prove proficiency, or contact Dr. Theresa Antes at antes@ufl.edu for guidance on registering for a course.
