IMPROVE your advanced Spanish language skills through an

Immersion Experience in a Spanish-speaking environment

INTEGRATE into Spanish life through daily interaction with

Spanish families and Spanish university students

PROGRAM

Study Spanish language, literature, and linguistics at the Universidad Internacional Menéndez Pelayo (UIMP). UIMP is one of the oldest and most prestigious universities that offers extensive summer programs in Spain. This is the only way you can earn 6 advanced Spanish credits at UF during the summer. UF in Seville is organized in conjunction with International Studies Abroad (ISA).

LOCATION

Seville was one of the jewels of the Islamic Caliphate of Al-Andalus, and later became the gateway to the New World. Barrio Santa Cruz, a few minutes away from the university, is characterized by narrow streets filled with quaint, lime-washed houses with flowering plants draping their balconies or patios. With a clear, deep blue sky, and a flat landscape, Seville offers the spectator a striking interplay of picturesque views, which explains why it is sometimes called "the city of reflections."

EXCURSIONS

This program offers overnight and day excursions to Madrid, Toledo, Granada, Córdoba, El Escorial, Cádiz, and Sierra de Aracena.

HOUSING

You and one other student will stay with a host family in Seville. Host families are selected by ISA (International Studies Abroad). You may request to live alone for an extra charge. The homestay includes three meals a day, seven days a week and laundry once a week.
