**Overview & Mission:** Our mission is to celebrate the 100th anniversary of the passage of the 19th amendment to the US Constitution, and the 50th+ anniversary of the modern women's movement in the Gainesville area; and to highlight and empower leading edge women's issues of today. This month of celebration will include a big parade, with all relevant groups and individuals participating. We anticipate major speakers, music, theater, readings, art shows, films, luncheons, dinners, discussions, presentations, rituals and other celebrations of our individual and joint histories, achievements and visions.

**Number of Credits:** 1 credit = 3 hours per week = 45 hours per semester; 2 credits = 7 hours per week = 90 hours per semester; 3 credits = 10 hours per week = 135 hours per semester.

*Note: More than one internship position is available!*

**Schedule Requirements:** Interns will work from home. Weekly schedule is TBD. Internship positions will start the summer of 2019 and will run through spring semester of 2020. Though it would be ideal to have the same students throughout, we will certainly accept different students each semester.

**Prerequisites/Qualifications:** Interns must be up to date on tech and communication skills. Must be well organized and work well with others.

**What activities will the intern take part in, and how do they relate to Women's/Gender studies?**

Interns will:

- Assist the organizing committee with publicity, coordinating input from a wide range of individuals, groups and organizations
- Assist in producing a calendar of events, to be available both online and in print
- Get the word out to young people at UF, Santa Fe and in the community
- Research relevant Women's/Gender Studies archives at UF libraries
