

WST 4941C Practicum in Health Disparities

Fall, 2016

Instructor: Laura K. Guyer, PhD, RD

Office: 205 Ustler Hall

Phone: 352-332-0523

Office Hours: M (9:30-11:30) and by appointment

Meeting Time: 5:10-6:30 pm on Monday August 22, October 10 and November 28

Classroom: TUR 1101

Practicum Time: 9 hours/week [120 hours total for the semester]

Course Description: This is a service-learning capstone experience for seniors enrolled in the Health Disparities in Society minor. Using an interdisciplinary approach, students work as pre-professionals in community organizations that meet needs in underserved and disadvantaged populations. They learn how the intersections of race/ethnicity, gender identities, sexual orientations, SES, disability and geography create health disparities and explore the role of health care, education and social service agencies in promoting health equity.

Course Credits: 3

Course Prerequisites: WST 2322 Introduction to Health Disparities, senior status, enrolled in Health Disparities in Society minor.

Course Website: All course readings, assignments and forms are posted to the Canvas course website. Technical support for this course is provided by the UF Help desk:

- Learning-support@ufl.edu
- (352) 392-HELP (select option 2)
- <https://lss.at.ufl.edu/help.shtml>

You do not need to pay for any of the assigned readings. When you are off campus and need to access articles online, visit <http://www.uflib.ufl.edu/ufproxy.html>.

Course Library Guide: An online library guide has been developed for this course and may be viewed at http://guides.uflib.ufl.edu/health_disparities. Listed are videos, books, journals, workshop summaries and resources about health disparities.

Instructional Methods: This is a hybrid, preprofessional service learning course that integrates in-class problem solving, group discussion, guided reflective learning and experiential learning. The readings, reflection and discussion assignments and practicum projects address all levels of the cognitive, affective and psychomotor learning domains. The course provides opportunity for students to apply the theories, definitions and data to populations with health disparities. The content progresses systematically from basic to more complex concepts and promotes the knowledge, attitudes, values and skills needed for successful health care in the 21st century.

Teaching Philosophy: Learning is a shared responsibility between students and the instructor and those most engaged will learn the most. My responsibility as the instructor is to be a content expert in each course topic and engage the range of student learning styles using a variety of instructional methods. Students are responsible for preparing for each class and participating actively in the learning process.

Theorist Malcolm Knowles defined *andragogy* (adult learning) as "the art and science of helping adults learn." You are adults. With Knowles' definition in mind, this course will enable you to:

1. Be self-directed learners;
2. Contribute to and participate in the learning environment;
3. Tie new learning to existing information, attitudes and experiences;

4. Apply new learning to immediate tasks, problems and issues.

Course Goals: This course is a pre-professional experience that provides opportunity to:

1. Experience the challenges faced by individuals at-risk for health disparities.
2. Understand the issues affecting agencies that work underserved populations.
3. Develop skills and professionalism through practice and assignments.
4. Experience changes in attitude and behavior through guided reflective learning experiences.

Grading:

Syllabus Quiz	20 pts.
REAP Reflections (10 @5 pts. ea.)	50 pts.
REAP Discussions (10@5 pts ea.)	50 pts.
Weekly Time Record (15@3 pts. ea)	45 pts.
Mid-point Evaluation	100 pts.
Final Practicum Evaluation	<u>100 pts.</u>
TOTAL	365 pts.

Grading Scale:

%	93+	90- 92.9	87.0- 89.9	83.0- 86.9	80.0- 82.9	77.0- 79.9	73.0- 76.9	70.0- 72.9	67.0- 69.9	63.0- 66.9	60.0- 62.9	<60
Grade	A	A-	B+	B	B-	C+	C	C-	D+	D	D-	E

Attendance and Absence Policy: Attendance at the practicum site is mandatory and students will report as scheduled and on time. See the current Undergraduate Catalog,

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

- *Students are responsible for satisfying all academic objectives as defined by the instructor. Absences count from the first class meeting.*
- *The university recognizes the right of the individual professor to make attendance mandatory. After due warning, professors can prohibit further attendance and subsequently assign a failing grade for excessive absences.*
- *Excused absences are awarded using criteria from the Catalog. Notify the course instructor AND preceptor at least 24 hours in advance.*
- *You cannot participate in this class unless you are registered officially or approved to audit with evidence of having paid audit fees.*

Students who fail to notify Dr. Guyer and their preceptor about absence from the practicum that requires one week or more will be dismissed immediately from the course.

Make-up Policy: Students with an *excused* absence may submit assignments after the due date has passed. For an *unexcused* absence, one letter grade will be deducted for each late day and after 3 days will not be accepted. Students are responsible for meeting assignment due dates.

Weekly Time Records: The practicum requires a minimum 120 hours/semester. Accrued time includes prerequisite training, work at the practicum site, work for the practicum off-site and travel time when the distance one way requires 30 minutes.

You are urged to complete 9 hrs ± 10% every week. Students who do not meet the total target number of hours will receive the grade of “I” and will meet with the course instructor to identify an appropriate course of action.

Background Check: All students must complete a background check and pay the associated fee. Students assigned to SWAG must complete a more stringent background check because they work with children. SWAG

will pay for the cost of this background check. If you have previously completed a background check while a student at UF, it may substitute for this requirement; schedule a meeting with Dr. Guyer to discuss your situation.

Pre-practicum Training: Complete the training listed and send your certificate to the instructor by the assigned dates.

1. **Interviewing and Professionalism Workshop** developed by the Career Resource Center specifically for this course. Students will learn to:
 - Develop a professional resume.
 - Understand the purpose of an interview.
 - Know how to dress for an interview.
 - Know how to prepare for the interview (review the website, develop questions, etc)
 - Identify steps to take upon completion of the interview (thank you note to preceptor, follow-up with course instructor)
2. **HIPAA Certificate:** HIPAA (Health Insurance Portability and Protection Act) for General Awareness <http://privacy.health.ufl.edu/training/hipaaPrivacy/instructions.shtml>. The training module “HIPAA for Researchers” will substitute for this requirement. If you have a HIPAA certificate that will not expire until AFTER the practicum, you will not need to re-train. Send a copy of your certificate to Dr. Guyer. HIPAA ensures that students understand the importance of patient confidentiality and can identify the information that must not be shared with others.
3. **FDOH HIV/AIDS 500 The Basics of HIV/AIDS Counseling, Testing and Linkage.** Visit <http://www.floridahealth.gov/diseases-and-conditions/aids/prevention/testing-counseling.html> to register - there is no charge for this course. A certificate is awarded upon course completion. Students assigned to sites where HIV/AIDS testing is part of the practicum experience will also complete the FDOH HIV/AIDS 501 course; the dates and places where the course is offered will be provided by the preceptor. The fee for the 501 course will be waived for practicum students.
4. Occupational Safety and Health Administration (OSHA) safety training and online quiz. There is no charge for this training. Students must score at least 80% on the quiz.
 - **OSHA Training for Healthcare Part 1:** <https://www.youtube.com/watch?v=e-PQiLegq3c>
 - **OSHA Training Part 2:** <https://www.youtube.com/watch?v=a4tekyH8fyM>

Reflective Learning Assignments and Discussion Posts: Reflection is a powerful learning tool that enables students to examine previously held knowledge and experience against the light of new learning in experiential programs. Guided reflection helps students synthesize new learning and identify changed attitudes, behaviors and skills. Throughout the practicum, students will write a short 1-page REAP (Reflection-Experience-Assessment-Plan) on topics listed on the syllabus. REAP assignments are due each Friday by 11:59 pm. See the grading rubric under the *Files tab* on Canvas.

After posting their REAP to the *Discussion tab*, students will respond to the REAPs written by other students in a 250 word post. Discussions are due each Sunday by 11:59 p.m. See the grading rubric for this assignment under the *Files tab* on Canvas.

Preceptor’s Evaluation: Preceptors provide written formative evaluation of progress at the mid-point of the semester and written summative evaluation at the end. When assigning final grades, Dr. Guyer considers the grade points earned on both evaluations.

UF Honor Code: Students must act in accordance with the University of Florida policy on academic integrity. As a student at the University of Florida, you have committed yourself to uphold the Honor Code, which includes the following pledge: “*We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity.*”

Violations of the Student Honor Code will lead to course dismissal. Academic honesty and integrity are fundamental values of the University community and enrolled students commit to holding themselves and their peers to the high standard of honor required by the Honor Code. Any individual who becomes aware of a violation of the Honor Code is bound by honor to take corrective action. Visit <https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>

Accommodations for Students with Disabilities: If you require classroom accommodation because of a disability, you must first register with the Dean of Students Office (DSO), <http://www.dso.ufl.edu>. The DSO will provide documentation of accommodations to you, which you must then give to the instructor by the end of the first week of class to receive accommodation.

The DSO also provides **FREE** screening for learning issues that affect students and impact performance in reading/writing activities. If you struggle consistently with reading comprehension, writing fluency, processing/retaining information from class and/or time management issues, contact the DSO. Learning Specialists will subsequently develop an individualized program of accommodation.

Counseling and Student Health: Students sometimes experience stress from academic expectations and/or personal and interpersonal issues that may interfere with academic performance. If you find yourself facing issues that have the potential to or are already negatively affecting your coursework, you are encouraged to talk with an instructor and/or seek help through University resources available to you:

- **Counseling and Wellness Center** (CWC) 352-392-1575 offers a variety of **FREE** and low cost support services such as psychological assessment, intervention and assistance for math and test anxiety. Visit the website for more information. Online and personal assistance is available. Other free workshops and programs are:
 - ✓ Biofeedback training
 - ✓ Crisis/emergency service
 - ✓ Testing and referrals
 - ✓ Anxiety/Stress Management
 - ✓ Academic concerns
 - ✓ LGBTQ support
 - ✓ Culture and diversity
 - ✓ Kognito training - recognize at-risk students, be aware of campus resources and know how to take action
- **You Matter We Care** website: <http://www.umatter.ufl.edu>. Students feeling overwhelmed or stressed should contact the program office sponsored by the Dean of Students and Counseling Center staff.
- **The Student Health Care Center at Shands** is a satellite clinic of the main Student Health Care Center located on Fletcher Drive on campus. Student Health @Shands offers a variety of clinical services and is located on the second floor of the Dental Tower in the Health Science Center. For more information, contact the clinic at 352-392-0627 or visit the website at <https://shcc.ufl.edu>.
- **Crisis intervention** is available 24/7 at the Alachua County Crisis Center, 352-264-6789. Visit <http://www.alachuacounty.us/DEPTS/CSS/CRISISCENTER/pages/CrisisCenter.aspx>. Do not wait until you reach a crisis to schedule an appointment. Get the help needed to work through stressful situations that impact your personal life and academic performance. You are not alone.

Career Resource Center (CRC) offers many **FREE** programs, events and services to help students explore majors and careers, prepare for the future, start a job or internship search, and develop flexible plans to reach career goals. Visit <http://www.crc.ufl.edu>.
